DSCC 2014 - 2015 Gift Report

Even though the tuition and fees charged to attend DSCC are among the most affordable in the state, presently over 71% of our students receive some sort of financial aid. Through the generous support of our donors, many of our programs and facilities at DSCC are enhanced. Because of the limits of public funding, some opportunities at DSCC would not be available were it not for the support and commitment of donors.

A gift to Dyersburg State impacts not only the lives of our students, but the overall health of our communities. At this time we would like to thank all listed below, along with our anonymous donors, for their contributions. All gifts are accepted through the Office of Institutional Advancement. The following is a list of those who made Annual Fund contributions from July 1, 2014 to June 30, 2015.

Campaign Co-Chairs; John Tucker, Dr. Karen Bowyer, and Chris Heckler

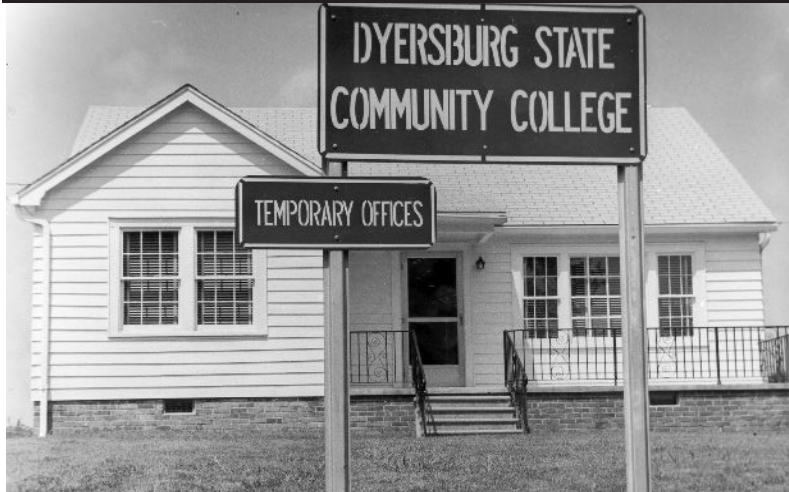

Dyersburg State Community College (DSCC) hosted its Annual Fund Campaign Celebration Dinner for the 2014-2015 academic year where it was reported that \$1,033,615.84 had been raised for the college's Annual Fund. Co-Chairs Chris Heckler of First Citizens National Bank-Arlington and John Tucker of First Citizens National Bank-Dyersburg, directed the successful campaign with the help of committees from Dyer, Gibson, Lauderdale and Tipton counties. A total of 693 total donors contributed to the campaign this year.

DSCC President Karen Bowyer and DSCC Vice President for Institutional Advancement and Continuing Education Youlanda Jones-Wilcox gave their congratulations and heartfelt thanks to Heckler and Tucker, as well as the committee chairs and the 39 additional

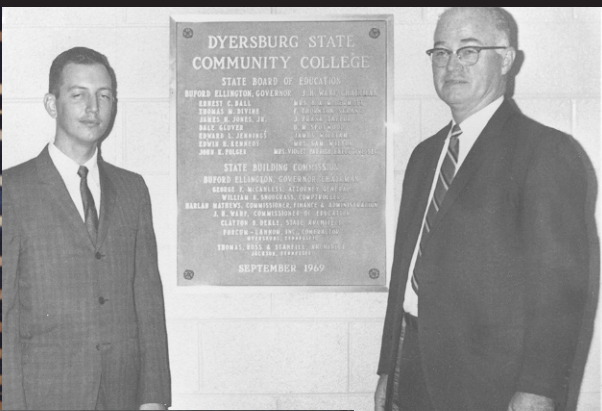

volunteer committee members for raising these funds. The chairs for each supporting area included Dyer County Chair Joe Emery, Gibson County Chair Bill Woods, Lauderdale County Chair Dwayne Haynes, and Tipton County Co-Chairs Sara Brasfield Carter and Cari Dee Dawson.

DSCC's Annual Fund Campaign was established in 1985 in order to raise the matching funds needed for various grants that help fund programs for the College. During the past 30 years, \$20,842,546.11 has been raised and invested in our region. These monies have been awarded to students for scholarships or reinvested for academic programs. In 2014-15, 212 DSCC students received assistance from the Annual Fund.
