DSCC Jimmy Naifeh Center at Tipton County - Spring 2010

History of the DSCC Jimmy Naifeh Center at Tipton County

The State Board of Education approved the creation of Dyersburg State Community College in 1967. The first classes were offered in fall 1969. Tipton County became a new off-campus location in 1973. Approval to build Phase I for Tipton County was received in 1994 and opened in February 1996. Phase II was opened in January 1998. The total square footage of Phases I and II is 33,503.

On June 19, 1998, the Tennessee Board of Regents approved the naming of the first building at the Tipton County Center in honor of Speaker Jimmy Naifeh. The building was dedicated in Mr. Naifeh's honor on October 26, 1998.

The State Building Commission approved a Master Plan for the Tipton County Center of Dyersburg State Community College on September 14, 2000. The plan calls for the consturction of 157,058 square feet over the next 20 years. The Industrial Board of the City of Covington donated 38 acres of property adjacent to the existing 64-acre site of the Tipton County Center of DSCC in the spring of 2001. The Center was named in honor of Speaker Jimmy Naifeh on October 1, 2004.

DSCC opened the new Academic Building, the third phase of building for the Tipton County Center, on January 5, 2007. The facility has 31,000 square feet of space and houses a 244 seat auditorium, a Learning Resource Center, and a tutoring lab. Classrooms and equipment for DSCC's expanded Nursing and Allied Health program are also located here.

Now the DSCC Jimmy Naifeh Center at Tipton County has a total 64,503 square feet of space available. An extension of the DSCC Nursing program began in January 2007.

On February 14, 2008, the State Building Commission approved planning funds for a new 39,000 square foot building that will house a new Learning Resource Center and a Student Center.
